Dear Sir/Madam

Re: Administration: Eastern Gauteng Cycling

This letter serves as confirmation that Gauteng Cycling has placed the Eastern Gauteng Cycling region under provincial administration as per Section 8 and 9 of the Provincial Constitution a copy of this constitution is available on request.

Eastern Gauteng Cycling failed to provide Gauteng Cycling with the compliance documents as requested per constitutional requirements; Cycling South Africa is aware of the situation within the regional structure and support the action that Gauteng Cycling has instituted.

The Provincial Executive Committee is in the process to put workable, sustainable solutions in place to remedy the situation and assist the region to adhere to the compliance requirements of the provincial administration.

All communication and information will be handled through the Provincial Office from this date forward

Should you have any queries please do not hesitate to get into communication with our Regional Office at: secretary@gautengcycling.co.za
